

Narrow Storage and Filing Cabinets.

Just like our standard cabinets - but narrower! Our 2 feet wide cabinets complement the standard 3 feet wide cabinets, providing the flexibility to reach virtually any width or fill any space. How wide do you need your setup or TV stand? Four feet? Five? Six? Seven? Even eight or nine feet? No Problem!

Narrow cabinets line up beside our standard width cabinets, but can only stack on top of other narrow cabinets. Outfit them with LEGS for lift, or WHEELS for mobility.
